DISCUSSION

Purpose and Background

The purpose of this report is to present to Council for adoption the Annual Financial Statements and Performance Statement for the 2022-2023 financial year.

After the conclusion of the financial year ended 30 June 2023, the Annual Financial Statements and Performance Statement were prepared. Council's external auditors – Crowe Australasia (as VAGO's agent) – commenced the audit on these statements on 14 August 2023. The ARMC reviewed the draft statements on 2 October 2023. Any changes recommended after the ARMC review have been incorporated into the statements attached to this report.

A summary of the information contained in these statements is below.

Annual Financial Statements

The Annual Financial Statements represent a general purpose financial report consisting of a Comprehensive Income Statement, Balance Sheet, Statement of Changes in Equity, Statement of Cash Flows, and accompanying notes. These statements have been prepared in accordance with relevant professional and statutory requirements, including the Australian Accounting Standards and Interpretations, and the *Local Government Act 2020*.

Performance Statement

The Performance Statement reports against a range of performance indicators introduced under the Local Government Performance Reporting Framework, which are statutorily required under the *Local Government Performance Reporting and Accountability Act 2014*.

FINANCIAL ANALYSIS

The key highlights to note are as follows:

- For the year ended 30 June 2023, Council reported a net operating surplus of \$35.6 million (2022: \$37.0 million).
- Council's financial position is sound; and the timing of capital expenditure and receipt of Grants Commission funding has impacted the cash position favourably.
- Council's working capital remains positive, which reflects Council's ability to meet its current commitments as and when they fall due.
- Council's debt servicing and indebtedness ratios are well within prudential guidelines and in alignment with Council's Long Term Financial Plan.

APPLICABLE PLANS AND POLICIES

The Financial Statements and the Performance Statement provide an auditable account of the performance of the strategic objectives and priorities outlined in the Council Plan 2021-25 for the last financial year covering the 2022-2023 period.

RELEVANT LAW

The Annual Financial Statements have been prepared in accordance with the *Local Government Act 2020*, the *Local Government (Planning and Reporting) Regulations 2020*, Australian Accounting Standards, and other mandatory professional reporting requirements.

The Performance Statement is required to be completed in the format prescribed under the *Local Government Performance and Reporting Accountability Act 2014*. This Act is the legislation under which the Local Government Performance Reporting Framework operates.
