Council is asked to approve the updated Instrument.

DISCUSSION

Purpose and Background

The power of delegation under section 11 of Local Government Act 2020 (the Act) is a power to delegate Council's powers under that Act or any other Act (with specific exceptions) to the Chief Executive Officer.

Section 47(1) of the Act provides that the Chief Executive Officer may, by instrument of delegation, delegate to a member of the Council staff or members of a community asset committee any power, duty or function of their office, except the power of delegation itself.

Although it may be argued that Council could rely on the general delegation powers in the Act to delegate matters under other Acts and ignore the specific delegation powers in other Acts, there is an appreciable risk in doing so. This would be to ignore a rule of statutory interpretation which dictates that the specific takes priority over the general.

There is a presumption that a power of delegation cannot be sub-delegated in the absence of express authority to do so. The Planning and Environment Act 1987, Food Act 1984 and other Acts contain specific powers of delegation, but do not contain an express power of sub-delegation. Therefore, it is assumed that the power of delegation cannot be sub-delegated.

This means, in respect of the specific legislation included within the Instrument of Delegation at Attachment 1, it is necessary for the delegation to come directly from Council to members of Council staff.

The current Instrument previously approved by Council on 12 September 2023 has been reviewed and the proposed updates to this have been prepared in line with advice provided by Maddocks Lawyers.

KEY ISSUES

The revisions captured in the updated Instrument cover the following:

1. The following changes have been made to the S6 Instrument of Delegation, Council to other Members of Council staff (S6):
 - Sections 125 and 149B of the Planning and Environment Act 1987 have been inserted.

Officer comment: The most relevant officer has been appointed to this provision.

The updates are shown in the Instrument included at Attachment 1 as “track changes”. Once the Instrument has been approved, a “clean” version will be sealed and published to Council’s website, in accordance with Council’s obligations under the Act and the Public Transparency Policy.

Recommended option and justification.

The recommendation is to approve the Instrument of Delegation associated with this report to ensure Council can meet its obligations under the Local Government Act 2020 and other Acts where Council holds authority.

FINANCIAL ANALYSIS

The cost to prepare and adopt the Instrument of Delegation is minimal and can be met from within current operational budgets.

APPLICABLE PLANS AND POLICIES

No regional, state or national plans and policies are applicable to the recommendation in this report.

This report contributes to the following strategic objective(s) in the Council Plan:

High Performing organisation: By Council approving the Delegations made to Council staff the organisation can operate effectively. It is unreasonable for elected Council members to perform all functions and powers required to meet its legislative obligations. Therefore, Council must delegate powers and duties to ensure services are delivered in a timely and coordinated fashion. This Instrument enables the organisation to perform its role, serving the community, in a compliant manner.

RELEVANT LAW

The power of delegation under section 11 of the Local Government Act 2020 (the Act) is a power to delegate Council’s powers under that Act or any other Act (with specific exceptions) to the Chief Executive Officer.

Section 47(1) of the Act provides that the Chief Executive Officer may, by instrument of delegation, delegate to a member of the Council staff or members of a community asset committee any power, duty or function of their office, except the power of delegation itself.

SUSTAINABILITY IMPLICATIONS

There are no economic, social or environmental impacts associated with the delegation of powers by Council.

COMMUNITY ENGAGEMENT

Public consultation is not required in respect of the recommendations in this report.

COLLABORATION, INNOVATION AND CONTINUOUS IMPROVEMENT

Consultation has been undertaken with the relevant internal departments in the preparation of the revised Instrument in order to ensure that appropriate officers are appointed to exercise the powers granted.

RISK ASSESSMENT

The Instrument attached to this report is based on a template provided by the Maddocks Delegations and Authorisations Service. The use of such templates ensures Council has compliant appointments, authorisations and delegations to relevant Council staff in place that meet the requirements of the relevant Acts.

This addresses the risk of Council relying on the general delegation powers in the Act to delegate matters under other Acts and ignoring the specific delegation powers contained in those other Acts.

CONFLICTS OF INTEREST

No officers and/or delegates acting on behalf of the Council through the Instrument of Delegation and involved in the preparation and/or authorisation of this report have any general or material conflict of interest as defined within the *Local Government Act 2020*.
