

To Whom it May Concern,

I am writing to you with regard to the special charge notice I received regarding my properties which abut to Elsie St, Wandin North.

I own the 36 acres, 11 of them addressed to Elsie St, and 25 of them addressed to 65 De Lancey Rd, Wandin North.

The 26 acre property is only accessed from De Lancey Rd, and only abutts for approximately 40 metres on Elsie st end. I don't believe I should need to pay for 2 lots of \$7000 given that both properties are in my name. As far as I am aware, the corner properties which cover 2 roads, and in many cases have property access from 2 roads, are only paying 1 lot of \$7000.

Thank you for looking into this matter.
