The additonal green space in the middle of the street is a nice environment for the community to meet up and utilise.

Go for it! What a deal! and a great way to have it as permanent public open space. Would be good for YRC to develop it as a recreation space-picnic tables, picnic shelter / gazebo , landscaping, art work/sculptures? It would really compliment Coronation PArk whcih is now fantastic!
Contribution 6 of 7 | 1 March 2023

It would be a shame to have anymore buildings in this area
Contribution 5 of 7 | 28 February 2023

This land should stay as a usable area for the community not be redeveloped under any circumstance.
Contribution 4 of 7 | 27 February 2023

Brilliant! Great outcome for the community/markets etc.
Contribution 3 of 7 | 25 February 2023

Bargain price for a much needed bit of open space
Contribution 2 of 7 | 21 February 2023

I think this is the best news I've had for a long time. The land in question is a much-needed "breathing space", and appreciated by stallholders and customers of the Healesville Market. The bright green grass lined by big shady oaks is beautiful and cooling.
